

## PROVIDER PROFILE

<b>Name of the organisation</b>	Czech Clinical Research Infrastructure Network
<b>Type of the organisation</b>	Non-profit
<b>Contact email(s)</b>	<a href="mailto:office@czecrin.cz">office@czecrin.cz</a>
<b>Offering website</b>	<a href="http://www.czecrin.cz">www.czecrin.cz</a>
<b>Service language(s)</b>	Czech, English
<b>Target group</b>	Principal Investigators, Researchers, Students, Companies
<b>Type of the support</b>	Consulting, Training, Guidance (e.g. document templates, etc.), Translational support, CT realization, Advanced cell immunotherapy, Pharmacoeconomics, HTA.
<b>Short support description</b>	The aim of the CZECRIN project is to build an infrastructure for the implementation, conduct and analysis of multinational academic clinical trials in the Czech Republic by creating coordinating centers in universities (CTC - Clinical Trial Centers), forming interconnections with the clinical research units (CTU) at various medical facilities, and through the national coordinating point (Masaryk University and St. Anne's University Hospital in Brno) connected to the European research infrastructure ECRIN-ERIC. The goal is maximum utilization of available capacity and expertise of individual departments as well as linking the theoretical aspects of academic clinical trials with experience from the practical implementation of projects in order to increase the number and quality of academic investigator initiated trials (IIT) in the Czech Republic with the possibility of participation of Czech clinical research centers as well as multinational clinical research projects.

This profile is part of the [Comprehensive Inventory \(CI\)](#) provided by the [STARS project](#).

Purpose of the CI is to assist European academic drug developers in finding support on regulatory affairs. The inventory lists various support services provided by national competent authorities, public actors and private entities.

For information about the STARS project please visit [www.csa-stars.eu](http://www.csa-stars.eu) or contact [CoordinationSTARS@bfarm.de](mailto:CoordinationSTARS@bfarm.de).
