

PROVIDER PROFILE

Name of the organisation	Medicines and Healthcare Products Regulatory Agency Innovation Office (MHRA)
Type of the organisation	National Competent Authority
Contact email(s)	scientific_advice@mhra.gov.uk
Offering website(s)	www.gov.uk/government/groups/mhra-innovation-office www.mhra.gov.uk
Service language(s)	English
Target group	Academic Principal Investigators/Groups/Consortia, SMEs, Big Pharma
Short support description	Regulatory support is offered at any stage of product or project development. All relevant divisions of the agency are able to contribute to the advice needed providing a wide range of expertise covering quality, non-clinical and clinical aspects of development of both chemical and biological products including ATMPs. We encourage early engagement to ensure that the appropriate regulatory pathway is followed from the start.

This profile is part of the [Comprehensive Inventory \(CI\)](#) provided by the [STARS project](#).

Purpose of the CI is to assist European academic drug developers in finding support on regulatory affairs. The inventory lists various support services provided by national competent authorities, public actors and private entities.

For information about the STARS project please visit www.csa-stars.eu or contact CoordinationSTARS@bfarm.de.
