

PROVIDER PROFILE

Name of the organisation	Medical Research Council Regulatory Support Centre
Type of the organisation	Non-profit
Contact email(s)	rsc@mrc.ukri.org
Offering website	www.mrc.ukri.org/regulatorysupportcentre
Service language(s)	English
Target group	Principal Investigators, Researchers, Students, Companies
Type of the support	Training, Guidance (e.g. document templates), Advice.
Short support description	We support those whose research involves people as participants, their biosamples or data by providing practical advice, guidance and training. Support is given based on UK legal and good practice requirements relevant in health research which involves people as participants, their biosamples or data (e.g. human tissue legislation, GDPR, common law (confidentiality), policy requirements where research involves the NHS, etc.

This profile is part of the [Comprehensive Inventory \(CI\)](#) provided by the [STARS project](#).

Purpose of the CI is to assist European academic drug developers in finding support on regulatory affairs. The inventory lists various support services provided by national competent authorities, public actors and private entities.

For information about the STARS project please visit www.csa-stars.eu or contact CoordinationSTARS@bfarm.de.
